F222/T222 HomePro® Trimmers

Designed for the serious homeowner, these trimmers come equipped with our patented Speed-Feed® trimmer head.

shindaiwa

F222/T222 HomePro® Trimmers

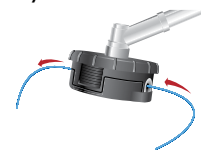

Take the hassle out of re-loading your trimmer spool with our exclusive Speed-Feed® cutting head! No disassembly required and re-loads in less than 30 seconds!

Step 1: Align the arrow on cover with eyelet.

Step 2: Feed approximately 6' of trimmer line through the eyelets.

Step 3: Re-load line by simply turning the cover and cutting line to equal lengths.
