

trimmers/brushcutters

T254

T344

Shindaiwa's Hybrid 4® Engine Technology blends the finest features of two-stroke and four-stroke technology. Hybrid 4 products offer:

- Environment-friendly low emissions levels
- Higher torque to the lower end for more power
- Fuel economy using 10 - 25% less fuel than equivalent two-stroke engines
- A low tone sound
- Reduced starting effort with built-in decompression
- Longer engine life due to dual-stage air filtration
