

lawn edger

LE254

Shindaiwa's Hybrid 4® Engine Technology blends the finest features of two-stroke and four-stroke technology. Hybrid 4 products offer:

- Environment-friendly low emissions levels
- Higher torque to the lower end for more power
- Fuel economy using 10 - 25% less fuel than equivalent two-stroke engines
- A low tone sound
- Reduced starting effort with built-in decompression
- Longer engine life due to dual-stage air filtration

Shindaiwa highly recommends Red Armor™ engine oil for carbon deposit removal and protection against future buildup. Visit www.redarmoroil.com for more info

Shindaiwa's lawn edger provides optimum performance and durability for season after season of outstanding operation on even the toughest jobs and in the harshest conditions. And each one is covered by a 2-year commercial warranty — dependability you can count on.
