

shindaiwa®

T282 Trimmer / C282 Brushcutter

At the heart of the T282 is a 3rd generation 2-cycle engine design that meets today's environmental standards *and* delivers all the power and performance you need.

shindaiwa®

T282 Trimmer / C282 Brushcutter

Anti-vibration standard on both models

Over-molded front handle with 8° offset. Provides natural wrist position and excellent operator comfort

Equipped with Speed-Feed® 450 For ultra fast reloads

4-bolt, closed ported and chrome-plated cylinder for durability, lower emissions, and better fuel economy

All-in-one control handle features convenient On/Off switch & throttle lock-out lever

Large tank opening reduces spillage. Easy to refuel

One-piece electronic ignition for fast, easy starts

Ergonomic design for easier, more comfortable operation

8 mm hollow splined mainshaft. Reduces weight. One piece construction

Compact engine design

High capacity fuel tank. Largest tank in its class for longer run time

Serviceable Gearcase

Large 4-shoe clutch provides better power transfer to the cutting attachment for increased productivity

Ergonomic design 8° offset handle, with enhanced vibration absorption.

Trimmer to Brushcutter Conversion Kit P/N 89282
